Mrs V. Tunnadine, Town Clerk

The Town Council resolved from 20 May 2019, until the next relevant Annual Meeting of the Council, that having met the conditions of eligibility as defined in the Localism Act 2011 and SI 965 The Parish Councils (General Power of Competence)(Prescribed Conditions) Order 2012, to adopt the General Power of Competence.

AGENDA FOR THE MEETING OF

PLANNING COMMITTEE

6 July 2020

Due to the current restrictions in place this meeting will be a virtual meeting and therefore will not take place in a physical location. The meeting be held virtually via video conferencing using Microsoft Teams. Therefore, this is a meeting in public, not a public meeting.

The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 ("the 2020 Regulations") come into force on 4 April 2020.

Section 78 of the 2020 Regulations enable local councils to hold remote meetings (including by video and telephone conferencing) for a specified period until May next year. The Regulations apply to local council meetings, committees, and sub-committees

PART I

1. Apologies for Absence

PAGES

Receive apologies from members.

2. Minutes

Authorise the Chair to sign, as a correct record, the minutes of the meeting of the Committee held on Monday 8 June 2020.

3. Declaration of Interests and Requests for Dispensations

Receive declarations by Members of interests in respect of items on this agenda and apply for a dispensation to remain, speak and/or vote during consideration of that item.

ADVICE NOTE:

Members are reminded that, in accordance with the revised Code of Conduct, they are required to declare any disclosable pecuniary interests or other registrable interests which have not already been declared in the Council's Register of Interests. (It is a criminal offence not to declare a disclosable pecuniary interest either in the Register or at the meeting.) Members may, however, also decide, in the interests of clarity and transparency, to declare at this point in the meeting, any such disclosable pecuniary interests which they have already declared in the Register, as well as any other registrable or other interests. If a Member requires advice on any item involving a possible declaration of interest which could affect his/her ability to speak and/or vote, he/she is advised to contact the Interim Monitoring Officer at least 24 hours in advance of the meeting.

4. Public Participation

Receive any questions or representations which have been received from members of the public.

ADVICE NOTE:

Members of the public may make representations, answer questions and give evidence at a meeting which they are entitled to attend in respect of the business on the agenda. The public must make a request in writing to the Town Clerk **PRIOR** to the meeting, when possible. A member of the public can speak for up to three minutes. A question shall not require a response at the meeting nor start a debate on the question. The chairman of the meeting may direct that a written or oral response be given.

5. EXCLUDED ITEM: Public Bodies (Admission To Meetings) Act 1960

To determine whether item/s should be considered without the presence of the press and public, pursuant to Section 1(2) of the Public Bodies (Admission to Meetings) Act, 1960, as publicity relating to that (any of those) matter/s may be prejudicial to the public interest by reason of the confidential nature of the business to be transacted or for the other special reasons noted in relation to that matter on the agenda.

6. Penrith Neighbourhood Development Plan

To receive feedback on the Regulation 16 consultation and decide a way forward.

7. Penrith Parking and Movement Study

Members are asked to note that technical work is still on going and that the project is still progressing as described at the last meeting

8. Planning Applications**a) Delegated Responses to note:**

Planning application number:	20/0213
Site address:	I PARK SMART SERVICES LTD CROMWELL ROAD PENRITH CA11 7JW
Description:	Retention of four 5m high lighting and ANPR camera columns and the erection of one 5m high lighting and ANPR camera column.

Response: No objection – the application is for poles and cameras only NOT ticket machines

Planning application number:	20/0242
Site address:	LAND OFF GREENBANK ROAD EDEN BUSINESS PARK PENRITH CA11 9FB
Description:	New build office.

Response: No Objection as land is already allocated in the local plan for employment however the following comments to be made:

1. Both EDC and PTC have declared a climate emergency so it is pleasing to see that renewable energy technologies will be incorporated into the design, including pv panels and that BRE A construction methods will be used to include high levels of thermal performance.
2. It is important that new buildings are future proofed at the build stage as soon as possible as retrofitting to increase standards later on would be more expensive than early incorporation of features. It is hoped that the building has been sited to optimise passive solar gain.
3. The building should be constructed of sustainable thermally efficient building materials and include good loft and wall insulation to reduce energy consumption as far as possible and water recycling methods should be included within the development
4. The site should include good inter-connectivity with the existing business park and paths/tracks to promote sustainable transport and encourage cycling and walking as a way to get to work.
5. The development should include electric vehicle charging points
6. To help climate mitigation, native trees, including fruit/nut trees) should be used to enhance greening and biodiversity within the plan area.
7. As the site is close to a wildlife area, design or landscape features should be incorporated to provide habitat for insects, nesting birds and other wildlife.

Planning application number:	20/0230
Site address:	EDEN ESTATE AGENTS 1 LITTLE DOCKRAY PENRITH CA11 7HL
Description:	Advertisement consent for 1no illuminated fascia sign and 1no illuminated projecting sign.

Proposed Response: No Objection

Planning application number:	20/0251
Site address:	FORMER CARE HOME BEACON EDGE PENRITH CA11 8BN
Description:	Erection of a single detached dwelling.

Proposed Response: No Objection in principle but would like to make the following comments:

1. It is important that the grounds are properly landscaped to include native trees and bushes including fruit trees to help offset the carbon footprint.

2. In light of both Council's declaring a climate emergency, it is important that the house should run as cleanly and cheaply as possible and that it should be 'future proofed'. There should be great attention to thermal performance so that there is less reliance on green/renewable energy technologies however, PTC would like to see PV panels and electric boilers at the start of the build to enhance energy efficiency further rather than the need to retrofit in the future.
3. The dwelling should be accessible and adaptable and should include an electric car charging point and ducting for fixed line internet access to allow for home working. Design features should be included so that they can meet the needs of a changing population.
4. The use of sustainable, renewable, healthy products that embody low energy output and are, wherever possible, locally sourced, should be used.
5. Features should be included on the site to encourage wildlife movement, migration, nesting (eg bird boxes, bat roosts, hedgehog holes), roosting and foraging.

Planning application number:	20/0279
Site address:	58 CASTLE HILL ROAD PENRITH CA11 7HD
Description:	Proposed two storey rear extension.

Response: No objection, there is already an extension on the adjoining house

Planning application number:	20/0281
Site address:	9 CYPRESS WAY PENRITH CA11 8UN
Description:	Single storey rear extension.

Response: No objection

Planning application number	20/0285
Site address:	49 ARTHUR STREET PENRITH CA11 7TU
Description:	Tree to rear of back garden adjoining rear of properties on Sandcroft - remove a small number of lower branches that overhang neighbours gardens.

Response: No objection

Planning application number:	20/0287
Site address:	THE LABS SKIRSGILL DEPOT PENRITH CA10 2BQ
Description:	Ash (T1) - pollard to 5m at appropriate pollard points due to decline and several fungal fruiting brackets.
Description:	Tree to rear of back garden adjoining rear of properties on Sandcroft - remove a small number of lower branches that overhang neighbours gardens.

Response: No objection

Planning application number:	20/0288
Site address:	LAND AT SKIRSGILL DEPOT PENRITH
Description:	Sycamore (T1) - remove hung up branch.

Response: No objection

Planning application number:	20/0291
Site address:	29 VICTORIA ROAD PENRITH CA11 8HP
Description:	Removal of 1 x Pear tree and 2 x Cherry Plum trees because of damage to walls.

Response: No objection

Planning application number:	20/0272
Site address:	LORNE HOUSE MEETING HOUSE LANE PENRITH CA11 7TR
Description:	Demolition of outbuildings and garage and erection of new extensions. Addition of larger rooflights and general improvements and formation of new entrance door on side elevation.

Response: No objection. Although in the conservation area, the work will not be seen from any public area and will make the house future proof. It would be good to see the installation of an electric vehicle charging plug as part of the renovation.

Planning application number:	20/0224
Site address:	LAND AT CROSSFIELD FARM PENRITH CA11 8RP
Description:	Scoping Opinion for the proposed use as development land for B1 Business, General Industrial and B8 Storage and Distribution. Consisting of commercial floorspace, associated access, car parking, landscaping and ecological enhancement measures.

Response: PTC wishes to reiterate the previous comments made in respect of the Environmental document:

1. Members remain concerned that the document is a cut and paste document from a completely different area mentioned within the report, this needs to be corrected.
2. Members are concerned about the accuracy of the document. In 2.1.1 it states that the site is 2km from Penrith whilst in 13.2.1 it states its 4km from the town. It also states that it is only 500m to the nearest part of the M6 which was felt to be slightly misleading as the entrance is about 1.5km away.
3. The language used in the document is concerning to Members, the words believed that (6.3.1), 'it appears that' and 'probably' appear throughout along with other non specific wording suggesting that the site is not well known by the author of the report and has not been visited.
4. The relevant expertise and experience of the authors of the report should be included, or should be clearly documented.
5. The report should include a proper visual impact study (Zone of Theoretical Visibility 6.5.6). There are a number of footpaths nearby and open access land to the North East of the site in the Maiden Hill, Bowscar, Wan Fell areas and also to the west towards Newton Reigny, Newbiggin and possibly Greystoke.
6. Proper photo montages from a number of these areas should be included in the EIA. The google earth images included within the documentation showing visibility from various approaches are not felt to be an accurate representation and therefore not helpful
7. A description of the reasonable alternatives (for example in terms of development design, technology, location, size and scale) studied by the developer, which are relevant to the proposed project and its specific characteristics, and an indication of the main reasons for selecting the chosen option, including a comparison of the environmental effects should be included rather than implications of not using this site.
8. A description of the measures envisaged to avoid, prevent, reduce or, if possible, offset any identified significant adverse effects on the environment and, where appropriate, of any proposed monitoring arrangements should be included, especially as both Councils have declared climate emergencies
9. A non-technical document for summarising the information should be provided so that it is easily understandable.

Planning application number:	20/0305
Site address:	HIGHWAYS DEPOT AREA 13 REDHILLS PENRITH CA11 0FF
Description:	Variation of condition 2 (plans compliance) for amendments to surface water drainage strategy and design attached to approval 19/0579.

Response – No Objection

Planning application number:	20/0311
Site address:	32 STRICKLANDGATE PENRITH CA11 7NH
Description:	Advertisement Consent for 1no wall banner.

Response – No Objection

Planning application number:	20/0342
Site address:	7 ARTHUR STREET PENRITH CA11 7TT
Description:	T1 Laburnum tree - removal of large horizontal branch; T2 Conifer tree - felling of tree; T3 Cherry tree - crown lifting & crown thinning.

Response – No Objection but all work to be undertaken outside of the bird breeding and nesting season replaced by another native tree to maintain carbon retention and mitigate the effects on the environment.

Planning application number:	20/0261
Site address:	2 MELBOURNE COTTAGE THACKA LANE PENRITH CA11 9NG
Description:	Retrospective change of use from residential to a mixed use comprising of residential, car servicing and repairs.

Response OBJECTION. This development is on a quiet country lane in the open countryside. It is not on any site allocated for development through the Local Plan and therefore does not accord to Policy EC1. There is no strong economic case for the site to be retained for such use as the increase in vehicle movements is likely to have an adverse impact on people living along Thacka and in the neighbouring property. Continuation and or development of such a business is likely to cause harm to the local amenity, landscape and ecology in this area which is currently very quiet.

Planning application number:	20/0359
Site address:	FAIRFIELD WORDSWORTH STREET PENRITH CA11 7QY
Description:	Fell Elderberry tree and trim/thin Laburnum tree (works as shown on photographs).

Response: No Objection, PTC would wish to see the tree to be felled after the bird nesting season and replaced by another native tree to maintain carbon retention and mitigate the effects on the environment.

Planning application number:	20/0416
Site address:	THE COTTAGE BISHOP YARDS PENRITH CA11 7XU
Description:	Fell infected Beech tree.

Response: No Objection – tree is infected so work needs to be carried out PTC would wish to see the tree to be felled after the bird nesting season and replaced by another native tree to maintain carbon retention and mitigate the effects on the environment.
